Commissioner for Patents

It is noted that the amendment to the specification on 6/23/05 recited an amendment to be inserted after page 1, line 26, however, it has been determined that this was in error and the amendment should have been inserted after page 5, line 26. This has been corrected and entered and this action is notification to Applicant about the change.

/Brian K Talbot/
Primary Examiner, Art Unit 1792
